# The Comedy Club of the Outer Banks!

Mike says: "LET US PUT THE FUN & LAUGHTER IN YOUR NEXT EVENT!"

**1** We find a mutually agreeable date and location for your event and then choose a line-up of comedians most suitable for your particular organization!

This package brings to your guest a full performance as it is formatted in most comedy clubs throughout the country. It is a 90 minute performance, consisting of 3 comics: a host who warms up the crowd and introduces each performer, a feature performer who comes on first for about 30 minutes, and a headlining performer who comes on second and closes the show.

We have a wide range of comedians and will guide you in selecting an available comedian for your group who would be tailored best to suit your organizations needs. And because it can be as CLEAN as your organization chooses, you can hire us without worrying about offending your guests . . . or the boss!

**2** Your members need only sell tickets to the event. No other efforts are required, our staff will conduct the event and take care of your guests!

If your group has 50 or more members then your group is in a position to be the sponsor of a Comedy Club Fundraising event. If each member is given just four tickets to sell, with this size group, you could raise \$2,000.00 or more.

We supply you with an events package that includes:

- One on one consultation to assist you each step of the way
- Talent
- Assistance with venue selection and agenda planning
- Online Box Office for pre-selling tickets
- Professional PA System for great Sound and Lighting
- 8' X 10' ft. Stage Back Drop
- Comedy Show Ticket
- 11" X 17" Color Posters, black & white promotional flyers
- Complete Comedy Fundraising Pkg. that walks you through each step
- Member Pkgs. That help you keep track of ticket sales

**3** You sit back and wait for the money to come in, you and your guests share a wonderful evening of fun and laughter, and then you continue laughing all the way to the bank!

The key to the success of any fund raising event is how many tickets you sell. Your members sell tickets for \$20.00 per person. Your organization earns \$10.00 or more on each ticket sold.

Most organizations for example typically have 50 or more members, if each member is able to sell four tickets you could raise \$2,000.00. The more tickets you sell the more money you make per ticket. Let's take a closer look.

**Your organization collects up to 60% of the ticket price!**

50 members X 4 tickets = 200 tickets

200 tickets X \$10.00 = \$2,000.00

75 members X 4 tickets = 300 tickets

300 tickets X \$11.00 = \$3,300.00

100 members X 4 tickets = 400 tickets

400 tickets X \$12.00 = \$4,800.00

\*Please note that these are examples and not every organization will be able to average 4 ticket sales per member!

**This will assist your organization in making this an easy, fun & profitable one of a kind event!**
